

PLANT TIFTNET AVAILABILITY OF SIGNALS

Current list of all broadcast TV stations carried pursuant to § 76.56 to include:

- call sign
- community of license
- broadcast channel number
- cable channel number
- in the case of a noncommercial educational broadcast station, whether that station was carried by the cable system on March 29, 1990

(Responses to written requests for identification of Must-Carry signals carried must be provided within 30 days.)
